LANDSCAPING FOR THE HOME GARDENER

(AN EVENING WITH DENIS FLANAGAN)

"Whether as a teacher, designer or consultant, Denis Flanagan combines his 30 years of experience and sense of humour, with a unique style that has made him a popular speaker at events across the country. In addition to speaking at Canada Blooms and hosting both Indoor Gardener and One Garden Two Looks on HGTV, Denis often appears as an expert guest on many other gardening shows. When he is not traveling and promoting horticulture Denis works on his much-awaited book, Tales of a Transplant."

Green for Life!

Something for Everyone

The Gardening Festival will feature products and services for Northern Ontario gardeners, as well as speakers on a variety of horticultural topics. A special feature of the event will be the Sudbury Horticultural Society's Spring Garden Show where members will share their plants, photos and craft work. Sudbury Master Gardeners will offer free gardening advice at their Q & A Booth.

Gardener's Market Place

A wide variety of vendors will be sharing their newest products and services for gardeners. Products will include tools, plant materials, garden supplies, services, and garden décor.
